

Corinne Bailey Rae, Steady as she goes

Settle for a world neither up or down
Sell it to the crowd that's got the ground

[Chorus]

Steady as she goes
(steady as she goes)
Steady as she goes
(steady as she goes)
Find yourself a girl and settle down
Live a simple life in a quiet town

[Chorus]

Steady as she goes
(steady as she goes)
Steady as she goes
(steady as she goes)
Your friends have shown a kink in the single life
You've had too much to think now you need a wife

[Chorus]

Steady as she goes
(steady as she goes)
So steady as she goes
(steady as she goes)
Well here we go again
You've found yourself a friend that knows you well
But no matter what you do
You'll always feel as though you tripped and fell
So steady as she goes
Steady as she goes
When you have completed what you thought you had to do
And your blood's depleted to the point of stable glue
Then you'll get along
Then you'll get along

[Chorus]

So steady as she goes
(steady as she goes)
Steady as she goes
(steady as she goes)
Well here we go again
You've found yourself a friend that knows you well
But no matter what you do
You'll always feel as though you tripped and fell
Settle for a girl and buckle down
Send it to the crowd that's gathered round
Settle for a girl and buckle down
Send it to the crowd that's gathered round
Steady as she goes
(steady as she goes)
So steady as she goes
(steady as she goes)
So steady as she goes
(steady as she goes)
So steady as she goes
Are you steady now?
Are you steady now?
Thinks you're so scared now
She's so steady as she goes
