

# Corrosion Of Conformity, Rise River Rise

I remember you seems like yesterday  
Do you remember me? I got lost on the way  
Wrong muddy road is nothing new  
We stand but this river is washing through  
River rise from tear drops without warning  
Float away while flooding yesterday  
I'll be gone I won't be back by morning  
So rise river rise wash this place away  
Clean my dirty soul so I can save it for judgement day  
This place will bring you down  
More than you'll ever know  
Turn around it s do or die  
I think it's time to go  
If you feel the same then you can stay  
I'll fly I never liked it anyway  
(wishper) sun of the morning star  
River rise from teardrops without warning  
Float away while flooding yesterday  
I'll be gone I won't be here in the morning  
So rise river rise wash this place away  
Clean my dirty should so I can save it for judgement day  
Ah! Ah!  
River rise from teardrops without warning  
Float away while flooding yesterday  
I'll be gone I won't be back by morning  
So rise river rise wash this place away  
Clean my dirty soul so I can save for judgement day
