

Cory Lee, Goodbye

Here's a story about a girl I used to know
She had a boyfriend, who said he had to go
He said he's sorry, but he's gotta take a break
Heart was broken, but she said she would wait.
Tick-Tock, 3 months gone by,
Knock-Knock, There's a tear in his eye
What-what, moving back to stay
There's this one thing that I, Gotta say
Arrivederci, Sayonara, Aurevoir, Bonsoir,
How many ways can I say Goodbye,
Goodbye, Goodbye, Goodbye So long Goodbye.
While you were playing,
I was going back to school,
Im learning, Always tell me to be,
Standing at my door,
I regonize you broken bleeding asking for more.
Tick-tock, 3 months gone by,
knock-knock, there's a tear in his eye,
what-what, someone better for me,
Gotta tell you something baby now that Im free.
Arrivederci, Sayonara, Aurevoir, Bonsoir,
How many ways can I say Goodbye,
Goodbye, Goodbye, Goodbye So long Goodbye.
Tick-tock, 3 months gone by,
knock-knock, there's a tear in his eye,
what-what, someone better for me,
Gotta tell you something baby now that Im free.
Arrivederci, Sayonara, Aurevoir, Bonsoir,
How many ways can I say
Hasta la vista, Auf wiedersehen
Hit the road jack, Don't you come back again.
Arrivederci, Sayonara, Aurevoir, Bonsoir,
How many ways can I say Goodbye,
Goodbye, Goodybye, Goodbye So long
Arrivederci, Sayonara, Aurevoir, Bonsoir,
How many ways can I say Goodbye,
Goodbye, Goodybye, Goodbye So long Goodbye
