Counting Crows, A Murder Of One

Blue morning, blue morning
Wrapped in strands of fist and bone
Curiousity, Kitten, doesn't have to mean you're on your own
You can look outside your window
He doesn't have to know
We can talk a while Baby
We can take it nice and slow

CHORUS
All your life, is such a shame, shame, shame
All your love, is just a dream, dream, dream

Well
Are you happy where you're sleeping?
Does he keep you safe and warm?
Does he tell you when you're sorry?
Does he tell you when you're wrong?
Well, I've been watching you for hours
It's been years since we were born
We were perfect when we started
I've been wondering where we've gone

CHORUS

Well, I dreamt I saw you walkin'
Up a hillside in the snow
Casting shadows on the winter sky
As you stood there counting crows
One for sorrow, two for joy
three for girls, and four for boys
five for silver, six for gold
seven for a secret never to be told

There's a bird that nests inside you
sleeping underneath your skin
yeah, when you open up your wings to speak
I wish you'd let me in

CHORUS

open up your eyes
you can see the flames, flames, flames
of your wasted life
you should be asha-a-amed

And you don't want to waste your life, Baby
And you don't wanna waste your life. now, Darlin'
You don't wanna waste your life, Baby
You don't wanna waste your life, now, Darlin'
And, You don't wanna waste your life Baby
I said, You don't wanna waste your life now Darlin
You don't wanna waste your life now Baby
Ahh, you don't wanna waste your life now, Darlin

Change, change, change (3 times)

I walk along these hillsides in the summer 'neath the sunshine
I am feathered by the moonlight fallin' down on me
I will walk along these hillsides in the summer neath the sunshine
I am feathered by the moonlight fallin' down on me
I said I will walk along these hillsides in the summer neath the sunshine
I am feathered by the moonlight falling down on me
I said I will walk along these hillsides in the summer neath the sunshine
I am feathered by the moonlight

Change change change (repeat to end)
