## Counting Crows, Come Pick Me Up

(Original by Ryan Adams)

When they call your name will you walk right up with a smile on your face? Or will you cower in fear in your favorite sweater with an old love letter? I wish you would I wish you would Come pick me up Take me out Fuck me up Steal my records Screw all my friends They're all full of shit With a smile on your face And then do it again I wish you would When you're walking downtown do you wish I was there? Do you wish it was me? With the windows clear and the mannequins eyes Do they all look like mine? You know you could I wish you would Come pick me up Take me out Fuck me up Steal my records Screw all my friends behind my back With a smile on your face and then do it again I wish you would I wish you'd make up my bed

So I could make up my mind Try it for sleeping instead Maybe you'll rest sometime

I wish I could
