

Counting Crows, Hazy

When you disappear on me it's just like
parades in the rain
Every time i see you you just disappear again
Every time you're leaving i don't know what to say
I wanna see this whole town go away

So could you tell me why you're leaving
cause I don't know why it has to be so
could you tell me why you're leaving
cause I don't know I don't know I don't know

All these ending love songs
come into my eyes
but every time i see you
I'm alive, I'm alive

so could you tell me why you're leaving?
cause I don't know why it has to be so
could you tell me why you're leaving
cause I don't know I don't know I don't know
