

Counting Crows, Holiday In Spain

Got no place to go
But there's a girl waiting for me down in Mexico
She got a bottle of tequila, a bottle of gin
And if I bring a little music I could fit right in

We got airplane rides
We got California drowning out the window side
We've got big black cars
And we got stories how we slept with all the
Movie stars

I may take a holiday in Spain
Leave my wings behind me
Drink my worries down the drain
And fly away to somewhere new

Hop on my choo-choo
I'll be your engine driver in a bunny suit
If you dress me up in pink and white
We may be just a little fuzzy 'bout it later tonight

She's my angel
She's a little better than the one that used to be with me
Cause she liked to scream at me
Man, it's a miracle that she's not living up in a tree

I may take a holiday in Spain
Leave my wings behind me
Drive this little girl insane
And fly away to someone new

Everybody's gone
They left the television screaming that the radio's on
Someone stole my shoes
But there's a couple of bananas
And a bottle of booze

Oh well, happy new year's baby!
We could probably fix it if we clean it up all day
Or we could simply pack our bags
And catch a plane to Barcelona 'cause this city's a drag

I may take a holiday in Spain
Leave my wings behind me
Flush my worries down the drain
And fly away to somewhere new

Take a holiday in Spain
Leave my wings behind me
Drive this little girl insane
Fly away to someone new
Fly away to someone new
Fly away to someone new
