Counting Crows, Holiday In Spain

Got no place to go But there's a girl waiting for me down in Mexico She got a bottle of tequila, a bottle of gin And if I bring a little music I could fit right in

We got airplane rides
We got California drowning out the window side
We've got big black cars
And we got stories how we slept with all the
Movie stars

I may take a holiday in Spain Leave my wings behind me Drink my worries down the drain And fly away to somewhere new

Hop on my choo-choo I'll be your engine driver in a bunny suit If you dress me up in pink and white We may be just a little fuzzy 'bout it later tonight

She's my angel She's a little better than the one that used to be with me Cause she liked to scream at me Man, it's a miracle that she's not living up in a tree

I may take a holiday in Spain Leave my wings behind me Drive this little girl insane And fly away to someone new

Everybody's gone
They left the television screaming that the radio's on
Someone stole my shoes
But there's a couple of bananas
And a bottle of booze

Oh well, happy new year's baby! We could probably fix it if we clean it up all day Or we could simply pack our bags And catch a plane to Barcelona 'cause this city's a drag

I may take a holiday in Spain Leave my wings behind me Flush my worries down the drain And fly away to somewhere new

Take a holiday in Spain Leave my wings behind me Drive this little girl insane Fly away to someone new Fly away to someone new Fly away to someone new
