

# Courtney Love, Celebrity Skin

Oh, make me over  
I'm all I wanna be  
A walking study  
In demonology

Hey, so glad you could make it  
Yeah, now you've really made it  
Hey, so glad you can make it now

Oh, look at my face  
My name is might have been  
My name is never was  
My name's forgotten

Hey, so glad you could make it  
Yeah, now you've really made it  
Hey, there's only us left now

When I wake up in my makeup  
It's too early for that dress  
Wilted and faded somewhere in Hollywood  
I'm glad I came here with your pound of flesh  
No second billing, 'cause you're a star now  
Oh Cinderella, they aren't sluts like you  
Beautiful garbage, beautiful dresses  
Can you stand up or will you just fall down

You better watch out  
Oh, what you wish for  
It better be worth it  
So much to die for

Hey, so glad you could make it  
Yeah, now you've really made it  
Hey, there's only us left now

When I wake up in my makeup  
Have you ever felt so used up as this  
It's all so sugarless, hooker/waitress  
Model/actress, oh just go nameless  
Honeysuckle, she's full of poison  
She obliterated everything she kissed  
Now she's fading somewhere in Hollywood  
I'm glad I came here with your pound of flesh

You want a part of me  
Well, I'm not selling cheap  
No, I'm not selling cheap
