

Courtney Love, Violet

And the sky was made of amethyst
And all the stars were just like little fish
You should learn when to go
You should learn how to say no
Might last a day
Mine is forever
Might last a day
Mine is forever
When they get what they want
They never want it again
When they get what they want
They never want it again
Go on take everything
Take everything
I want you to
Go on take everything
Take everything
I want you to
And the sky was all violet
The more it gets violet more violence
And I'm the one with no soul
One above and one below
Might last a day
Mine is forever
Might last a day
Mine is forever
When they get what they want
When they never want it again
When they get what they want
When they never want it again
Go on take everything
Take everything
I want you to
Go on take everything
Take everything
I dare you to
I told you from the start
Just how this would end
When I get what I want
When I never want it again
Go on take everything
Take everything
I want you to
Go on take everything
Take everything
I want you to
Go on take everything
Take everything i want you to
Go on take everything
Take everything i want you to
Go on take everything
Take everything
Take everything
