

# Cowboy Junkies, Bad Boy

(Larry Williams)

A bad little boy moved into the neighborhood  
He won't do nothin' right just a-sittin' got to look so good  
He don't wanna go to school and learn to read and write  
Just sits around the house and plays that rock n' roll music all night

Well, he put thumbtacks on teacher's chair  
put chewing gum in li'l girl's hair  
Now Junior, behave yourself!

Buys every rock n' roll book on the magazine stand  
Every dime that he gets, oh is off to the juke box man  
Well, he worries his teacher till she's a-ready to poop  
from rockin' and a rollin' spinnin' in a Hula-Hoop

Well, his rock n' roll has gotta stop  
Junior's head is hard as rock  
Now Junior, behave yourself!

Gonna tell your mama you'd better do what she said  
Get to the barber shop and get that hair cut off your head  
You shoot the canary and you fed it to the neighbor's cat  
You gave the cocker spaniel a bath in mother's laundromat

Well, your mama said it's gotta stop  
Junior's head is hard as rock  
Now Junior, behave yourself!
