

# Cowboy Junkies, The Slide

Jesus, sweet Jesus if you're listening  
Can you pass me to your pa.  
I'm having a hard time understanding  
Why he's so cruel and demanding  
With his love.

Darling, sweet darling keep whispering  
I'll find you through this din.  
Sitting and watching,  
Two flames busy dancing  
To our love.

Grab on to this moment, inhale it  
And hold it inside.  
Savour its sweetness,  
Yearn for the slide.

Jesus, sweet Jesus if you're listening  
Can you pass me to your pa.  
I'm having a hard time understanding  
Why he's so discriminating  
With his love.
