(Intro - Larry the Cable Guy)

Test two, test two three, test two niner five.

Hey, Git-R-Done! This is Larry the Cable Guy, by God!

I've never won a Grammy award, but Barbra Streisand

Took her top off one time and won a SAG award!

Ha ha! That's funny, I don't care who you are!

Hey, enjoy this song by Cowboy Troy, a good buddy of mine!

Git-R-Done! By God, Troy, GIT-R-DONE!

(Big & Rich)

YEE HAW!!!! (chainsaw sounds)

(Tag - Cowboy Troy)

If you don't know, better ask somebody

Get on the floor and grab that hottie

If you don't know, better ask somebody

Get on the floor and grab that hottie

If you don't know, better ask somebody

Get on the floor and grab that hottie

I gotta work tomorrow y'all

But tonight I'm gonna party

(Chorus - Big & Rich)

Like it's my last yee haw! Gonna let it hang out!

Like it's my last yee haw! Gonna scream and shout!

Like it's my last yee haw! Gonna burn down the town!

Like it's my last yee haw!!!!

(Verse 1 - Cowboy Troy)

Better hurry up, don't waste your time

You know what to do when you hear my rhyme

You're bouncin' up and down like a kid on a seesaw

Steady groovin' word to your meemaw

Right now put 'em in the air

wave side-to-side, scream "Aw yeah!"

Gotta work tomorrow y'all

But tonight I'm gonna party

(Repeat Chorus)

(Verse 2 - Cowboy Troy)

Whatch'o name is? Now don't be scared

Get on the dancefloor, girl, ya heard?

Hands on your knees, arch that back

Shake that badonkadonk and make it clap

Aw now, here we go

Get on the dance floor and get low

Sweat drippin' all down your clothes

'Cause where it stops no one knows

(Repeat Chorus)

(Repeat Tag)

(Repeat Chorus)

(Big & Rich)

Like it's my last yee haw!

Like it's my last yee haw!

Like it's my last yee haw!

Like it's my last yee haw!!!!
