

Cracker, I'm A Good Old Rebel

Intro & break:

C-am c-am c-am c-am

Well c I'm a good old rebel, yes am that's just what I am
And on c this land of freedom I am does not give a damn
Well I'm c glad we fought against it, I am only wish I'd won
And c I don't want no party for am anything I done

Break

Well I hates the slighty? banter in everything they do
I hates the declaration of independence too

But I'm glad we fought against it, I only wish we'd won
And got 300 million instead of what we done

Break

I won't be reconstructed, I'm better now than then
For this good land of freedom I does not give a damn
Three hundred-thousand yankees are stiff in southern dust
And I don't want no party for anything I done
