

# Cradle of Filth, Devil Woman

[Special Edition Disc track]

[feat. King Diamond; Cliff Richard cover]

I've had nothing but bad luck  
Since the day I saw that cat at my door  
So I came into you sweet lady  
Answering your mystical call

Crystal ball on the table  
Showing the future, the past  
Same cat with them evil eyes  
And I knew it was a spell she cast

She's just a devil woman  
With evil on her mind  
Beware the devil woman  
She's gonna get you  
She's just a devil woman  
With evil on her mind  
Beware the devil woman  
She's gonna get you from behind

Give me the ring on your finger  
And let me see the lines on your hand  
I can see me a tall dark stranger  
Giving you what you hadn't planned

I drank the potion she offered me  
I found myself on the floor  
Then I looked in those big green eyes  
And I wondered what I came there for

She's just a devil woman  
With evil on her mind  
Beware the devil woman  
She's gonna get you  
She's just a devil woman  
With evil on her mind  
Beware the devil woman  
She's gonna get you from behind, hind  
(Stay away, you cunt)

If you're out on a moonlit night  
Be careful of them neighbourhood strays  
Of a lady with long black hair  
Trying to win you with Nymphetamine ways

Crystal ball on the table  
Showing the future, the past  
Same cat with them evil eyes  
You'd better get out of there fast

She's just a devil woman  
With evil on her mind  
Beware the devil woman  
She's gonna get you  
She's just a devil woman  
With evil on her mind  
Beware the devil woman  
She's gonna get you

She's just a devil woman  
With evil on her mind

Beware the devil woman  
She's gonna get you  
She's just a devil woman  
With evil on her mind  
Beware the devil woman  
She's gonna get you
