## Cradle of Filth, Devil Woman

[Special Edition Disc track]

[feat. King Diamond; Cliff Richard cover]

I've had nothing but bad luck Since the day I saw that cat at my door So I came into you sweet lady Answering your mystical call

Crystal ball on the table Showing the future, the past Same cat with them evil eyes And I knew it was a spell she cast

She's just a devil woman With evil on her mind Beware the devil woman She's gonna get you She's just a devil woman With evil on her mind Beware the devil woman She's gonna get you from behind

Give me the ring on your finger And let me see the lines on your hand I can see me a tall dark stranger Giving you what you hadn't planned

I drank the potion she offered me I found myself on the floor Then I looked in those big green eyes And I wondered what I came there for

She's just a devil woman With evil on her mind Beware the devil woman She's gonna get you She's just a devil woman With evil on her mind Beware the devil woman She's gonna get you from behind, hind (Stay away, you cunt)

If you're out on a moonlit night Be careful of them neighbourhood strays Of a lady with long black hair Trying to win you with Nymphetamine ways

Crystal ball on the table Showing the future, the past Same cat with them evil eyes You'd better get out of there fast

She's just a devil woman With evil on her mind Beware the devil woman She's gonna get you She's just a devil woman With evil on her mind Beware the devil woman She's gonna get you

She's just a devil woman With evil on her mind Beware the devil woman She's gonna get you She's just a devil woman With evil on her mind Beware the devil woman She's gonna get you
