

# Craig Armstrong, As If You Said Nothing

I was thinking, what I'd say,  
For the moment when you left me,  
It's the something I think everyday,  
That I long for to tell the story.

I was wondering, my love.  
Our love is something special,  
Here I found that, you could stay.  
Today is still the same.

As if you said nothing,  
Nothing at all.  
As if you said nothing.

All the time you knew,  
I tried to be good,  
To do the right things.  
You can help me find my way.

Je repense ce que je te disais.  
(I think again at what I said to you)  
Ce moment o tu m'as quitt.  
(this moment where you left me)  
Ca n'est pas quelque chose auquel je pense chaque jour.  
(it's not something I'm thinking everyday)  
Je voudrais te dire mon histoire.  
(I would like to say my story to you)

As if you said nothing,  
Nothing at all.  
As if you said nothing,  
Nothing at all.  
As if you said nothing,  
Nothing at all.  
As if you said nothing,  
Nothing at all.  
As if you said nothing,  
Nothing at all.  
As if you said nothing,  
Nothing at all.  
As if you said...
