Craig David, Back to Basics (feat. GRACEY)

We gotta take this thing back to basics
You know I like you, I'm gon' say it
Let's not make this complicated
I'm gonna give you the good, can you take it?
If you want it, you can have it
Yeah, I hope you understand that all you do

Yeah the way you got me feeling like nobody else
(Nobody else)
If you feel like I do (I do), let's not waste any more time
Here lying by ourselves

Why wait till the morning? We wait long enough
Let's go back to basics when it comes to love
You like how I'm moving, I like how you touch
Let's go back to basics when it comes to love

Love, love
Back to basics, back to basics
Love, love
Back to basics, back to basics

We gotta take this thing back to basics
Don't go messing round with my heart
When I fall, yeah, I fall real hard
Baby my loving expensive, don't waste it
My loving amazing, just wait till you taste it

All that I do (I do), yeah the way you got me feeling
Like nobody else (mmh)
If you feel like I do (I do), let's not waste any more time
Just lying to ourselves (ourselves), baby no

Why wait till the morning? We wait long enough
Let's go back to basics when it comes to love
You like how I'm moving, I like how you touch
Let's go back to basics when it comes to love

Love, love
Back to basics, back to basics
Love, love
Back to basics, back to basics

You said, I can't stay away from you
I said, baby I don't want you to
Can we get one more bottle
Maybe two, maybe three? I want you
Back to basics with you baby, yeah

Why wait till the morning? We wait long enough
Let's go back to basics when it comes to love
You like how I'm moving, I like how you touch
Let's go back to basics when it comes to love

Love, love
Back to basics, back to basics
Love, love
Back to basics, back to basics

Why wait till the morning? We wait long enough
Let's go back to basics when it comes to love
You like how I'm moving, I like how you touch
Let's go back to basics when it comes to love

Love, love
Back to basics, back to basics
Love, love
Back to basics, back to basics
