

Craig David, My Heart's Been Waiting For You (fe

First, there was you, there was me
We were hanging out
One turn to two, turn to three
Till the club shut down
You got a text about some afterparty
You ain't tryna chill with everybody

That was it, yeah, you know that was it
Pull me in closer, almost touching your lips
Then we kissed, that was the first time we kissed
The way your body, nobody ain't got me caught up like this

Heart's been waiting
My heart's been waiting
Heart's been waiting
My heart's been waiting
My heart's been waiting for you

You make me feel
My heart's been waiting for you
You make me feel
My heart's been waiting for you
Knew the second you walked through the door
You make me feel
My heart's been waiting for you

Da-da-da-da-da-da-da-da
Wanna feel that
Da-da-da-da-da-da-da-da
My heart's been waiting for you

When you walked in, they were playing "Show Me Love"
That's when I saw you from a distance
Knew you were something different
Now we're talking but I'm already in love
And the more I try and listen, the deeper I fall

All I know (All I know)
Is I got feelings (Ooh yeah)
Feelings that I've never had
All I know (All I know)
You're amazing
You got me checkin' myself, now look at that

You make me feel
My heart's been waiting for you
You make me feel
My heart's been waiting for you
Knew the second you walked through the door
You make me feel
My heart's been waiting for you

You make me feel
My heart's been waiting for you
You make me feel
My heart's been waiting for you
Knew the second you walked through the door
You make me feel
My heart's been waiting for you

Da-da-da-da-da-da-da-da
Every single minute of the day
Wanna feel that
Da-da-da-da-da-da-da-da

That love
Wanna feel that
Da-da-da-da-da-da-da-da
Every single minute of the day
Wanna feel that love
Wanna feel that love

Heart's been waiting
My heart's been waiting
Heart's been waiting
My heart's been waiting
My heart's been waiting for you

You make me feel
My heart's been waiting for you
You make me feel
My heart's been waiting for you
Knew the second you walked through the door
You make me feel
My heart's been waiting for you

Da-da-da-da-da-da-da-da
Wanna feel that
Da-da-da-da-da-da-da-da
That love
Wanna feel that
Da-da-da-da-da-da-da-da
Every single minute of the day
Wanna feel that love
Wanna feel that love
