

Craig David & Sigala, Ain't Giving Up

When you're so in love,
Sometimes you gotta' take a chance to break through,
And when the world is not enough,
That's what gives you everything or breaks you,
Feeling empty, feel used,
It's like were running off fumes
A little broken, confused
But one thing I know for sure

Ain't giving up on you,
Ain't giving up on you,
Ain't giving up on you,
Ain't giving up on you,
Ain't giving up on you (Oh, oh, oh)
Ain't giving up on you (Oh, oh, oh)
Ain't giving up on you (Oh, oh, oh)
Ain't giving up on you
Ain't giving up on you

When the going gets tough
Just remember it's me and you for life
And when the world is not enough,
Baby are we, worth the fight

Feeling empty, feel used,
It's like were running off fumes,
A little broken, confused
But one thing I know for sure

Ain't giving up on you,
Ain't giving up on you,
Ain't giving up on you,
Ain't giving up on you,
Ain't giving up on you (Oh, oh, oh)
Ain't giving up on you (Oh, oh, oh)
Ain't giving up on you (Oh, oh, oh)
Ain't giving up on you
Ain't giving up on you

Ain't giving up on you
