I feel fantastic, bombastic, Ecstactically astounded How a girl can really lose her brain I feel surrounded, confounded **Emotionally dumbfounded** To think you've nearly won your game

Oh yeah, you said that I have Been gone too long Don't try to tell me That I was wrong (re-e-mix) Totally, wrong for me Got the hurt in my face Now I know the only thing to do Is to give myself some space I bet she never told you everything that drifted through her mind All the secret thoughts Well I bet you never caught her sliding with another man Because I did No no, I hate to see the way the finger points at me I'm at fault, I don't think so After all is said and done girl You know you've had your fun Why don't you leave it there
