Im meetin' my buddies out on the lake  
We're headed out to a special place we love  
That just a few folks know  
Theres no signin' up and no monthly dues  
Take your Johnson, your Mercury, or your Evin Rude and fire it up  
And meet us out at party cove  
Come on in the waters fine  
Just idle on over and toss us a line

Bass trackers, bayliners, and a party barge  
Strung together like a floatin' trailer park  
Anchored out and gettin loud all summer long!  
Side to side theres five houseboat front porches  
Astro turf lawn chairs and tiki torches  
Regular joes rockin the boat thats us!
