

# Craig Wazbinski & R. Walt Vincent, Sideways

Something is wrong here and I'm not sure what it is  
Someone is sideways and you, you know just what I mean  
Always the one to wonder what might have been  
Will we ever be the same again?  
Will I see you again, will I see you?  
Saving yourself for the day, the sun won't go away  
You're hiding behind all the lies, the lies that you believe  
Always the one to pick on the little things  
Will we ever be the same again?  
Will I see you again, will I see you again?  
So I called you at home, you said you're alone  
I don't believe, I don't believe  
You were crazy before, you're crazy now  
It's no matter to me  
Will I see you again?  
Will I hold you?  
Will I feel you?  
Will I have you again?  
Will we ever be the same again?  
Will I see you again, will I see you again?  
Will I see you again, will I see you again?  
Will I see you again, will I see you again?  
Will I see you again, will I see you again?  
Will we ever be the same?
