

Cranes, Pale Blue Sky

Do you know...
The way I feel tonight?
Don't let go...
It's beautiful tonight
It makes me feel alive
It's beautiful inside

I'm safe here in a pale blue sky
It's beautiful inside

Brighter than the stars
When I catch your eye,
When I catch your eye
When I catch your eye
It's beautiful inside
When our tears subside
It's beautiful inside
