

Crash Test Dummies, Playing Dead

I know that you don't love me
I know you hate my guts
I know the nasty things you say
About me, to those sluts

Well, maybe I'm a weasel
Maybe I'm a liar
Maybe I'm a skinny punk
Who couldn't change a tire

I'm laying down and I'm playing dead
I ain't fetchin' no stick, no way, baby

I've always been this pasty
I've always been this shape
I'm just a teensy-weensy thing
Passed on by itsy-bitsy apes

I'm laying down and I'm playing dead
I ain't fetchin' no stick, no way, baby

You know that you could train me
You know I'd sit and beg
But you think I'm just a dirty dog
That tried to hump that pretty leg

I'm laying down and I'm playing dead
I ain't fetchin' no stick, no way, baby
