

# Crash Test Dummies, Un - Break My Heart

(diane warren)

Originally performed by toni braxton

Available on her album, secrets

Performed by crash test dummies during live performances, never recorded

Don't leave me in all this pain  
Don't leave me out in the rain  
Come back and bring back the smile  
Come and take these tears away  
I need your arms to hold me now  
The nights are so unkind  
Bring back those nights when I held you beside me

Un-break my heart  
Say you'll love me again  
Undo this hurt you caused  
When you walked out the door  
And walked outta my life  
Un-cry these tears  
I cried so many nights  
Un-break my heart  
My heart

Take back that sad word good-bye  
Bring back the joy to my life  
Don't leave me here with these tears  
Come and kiss this pain away  
I can't forget the day you left  
Time is so unkind  
And life is cruel without you here beside me

Un-break my heart  
Say you'll love me again  
Undo this hurt you caused  
When you walked out the door  
And walked outta my life  
Un-cry these tears  
I cried so many nights  
Un-break my heart  
My heart

Don't leave me in all this pain  
Don't leave me out in the rain  
Bring back those nights when I held you beside me

Un-break my heart  
Say you'll love me again  
Undo this hurt you caused  
When you walked out the door  
And walked outta my life  
Un-cry these tears  
I cried so many, many nights  
Un-break my

Un-break my heart  
Come back and say you love me  
Un-break my heart  
Sweet darlin'  
Without you I just can't go on  
Can't go on
