

Crazy Frog, Last Christmas (Radio Mix)

bring ding ding ding ding bring bring bring don don
bring ding ding ding ding bring bring bring don don
bring ding ding ding ding bring bring bring be be
bring ding ding ding ding bring bring bring don don
last christmas i gave you my heart but the very next day
you gave it away and this year to save me from tears
i will give it to someone special
once fading and twice die
i keep my distance but you still catch my eye
tell me baby do you recognise me
well its been a year and it doesnt surprise me
(happy christmas)
i rip it up and send it
and the note will say i love you and i meant it
and now i know what a fool ive been

but if you kiss me now i know you will fool me again
last christmas i gave you my heart
but the very next day you gave it away
this year to save me from tears
ill give it to someone special
a crowded mode friends with some entier laughs
and im hiding from you and its alright
my body thought you were some one to realie on
and me i thought i had a shoulder to cry on
the first time i loved ya i felt my heart
a man from the cover but you tore me
appartand when i finally fond a lover ill never be fooled by you again
(3 times)
last christmas i gave you my heart but the very next day you gave it away and this year to save me
