

Crazy Loop, Love Maria

I'll love Maria
Always
I'll love Maria
Always true
Always true
She is perfect.

I want you to feel what I'm feeling
I want you to see what I see
Got 80's on my brain.

I'll show you the colors your missing
Cause I live the moment each day
Got 80's on my brain.

And now you feel it
And now you see it
And I would do anything
To have her closer close closer.

I'll love Maria
Always
I'll love Maria
Always true
Always true
She is perfect.

She's perfect like you...

80's! My brain!
80's! My brain!

Come get on this roller coaster
Don't be afraid be as free
As 80's on my brain.

Look through my eyes and get closer
This is the time to believe
Got 80 on my brain.

And now you feel it
And now you see it
And I would do anything
To have her closer close closer.

I'll love Maria
Always
I'll love Maria
Always true
Always true
She is perfect.

She's perfect like you...
