

Cream, Sleepy Time Time

I'm a sleepy time baby,
A sleepy time boy.
Work only maybe,
Life is a joy.

We'll have a sleepy time time,
We'll have a sleepy time time,
We'll have a sleepy time time,
We'll have a sleepy time time.
Sleepy time time,
Sleepy time time all the time.

Asleep in the daytime,
Asleep at night.
Life is all playtime,
Working ain't right.

We'll have a sleepy time time,
We'll have a sleepy time time,
We'll have a sleepy time time,
We'll have a sleepy time time.
Sleepy time time,
Sleepy time all the time.

I have my Sunday,
That ain't no lie.
But on Monday morning
Comes my favourite cry.

We'll have a sleepy time time,
We'll have a sleepy time time,
We'll have a sleepy time time,
We'll have a sleepy time time.
Sleepy time time,
Sleepy time all the time.
