

# Cream, Sleepy Time Time

I'm a sleepy time baby,  
A sleepy time boy.  
Work only maybe,  
Life is a joy.

We'll have a sleepy time time,  
We'll have a sleepy time time,  
We'll have a sleepy time time,  
We'll have a sleepy time time.  
Sleepy time time,  
Sleepy time time all the time.

Asleep in the daytime,  
Asleep at night.  
Life is all playtime,  
Working ain't right.

We'll have a sleepy time time,  
We'll have a sleepy time time,  
We'll have a sleepy time time,  
We'll have a sleepy time time.  
Sleepy time time,  
Sleepy time all the time.

I have my Sunday,  
That ain't no lie.  
But on Monday morning  
Comes my favourite cry.

We'll have a sleepy time time,  
We'll have a sleepy time time,  
We'll have a sleepy time time,  
We'll have a sleepy time time.  
Sleepy time time,  
Sleepy time all the time.
