

# Cream, Traintime

See the old train go down the track  
Hear the wheels go clicketty-clack  
It's comin' home, comin' home  
Leavin' town, baby, ain't comin' home no more.

Get the train, you know that's why I'm leavin'  
Ain't no use to greavin', well, I guess I'm leavin'  
Well, I'm leavin' town' well, I'm leavin' town  
Leave town, baby, ain't comin' home no more.

Traintime, baby, traintime's almost here  
Traintime, baby, traintime's almost here  
So give me one more time so now, do-dah-yeah.

Traintime, baby  
Traintime, baby.

Bye-bye, baby.

Bye-bye  
Bye-bye  
Bye-bye  
Bye-bye  
Bye-bye  
Bye-bye, baby.
