

Cree Summer, Miss Moon

My blood came today, I am so heavy
Turning upside down don't make me young with wonder
And I don't believe
There's a man in the moon
All I see is the fullness of you

My blood came today
I am swollen and ripe
I don't want nobody
Telling me what's right

My blood came today
I don't care what you say
I'm gonna play I'll fly away
To where my love is laughing

I don't believe
There's a man in the moon
All I see is the fullness of you

I won't hang out in between your thoughts
Outrun your mouth try to thaw you out
I'm not sorry for the fire that's inside my heart
i'll be howling
In the dark
For
Miss Moon
