

Creed, Inside Us All

When I'm all alone
And no one else is there
Waiting by the phone
To remind me I'm still here
When shadows paint the scenes
Where spotlights use to fall
And I'm left wondering
Is it really worth it all?

There's a peace inside us all
Let it be your friend
It will help you carry on
In the end
There's a peace inside us all

Life can hold you down
When you're not looking out
Can't you hear the sounds
Hearts beating out loud
Although the names change
Inside we're all the same
Why can't we tear down the walls,
And show the scars we're covering?
There's a peace inside us all

Let it be your friend
It will help you carry on
In the end
There's a peace inside us all

There's a peace
Oh, there's a peace inside us all
Let it be
Oh I said let it be your friend
Oh, can't it be your friend?
