

Creed, Kryptonite

Well, I took a walk around the world
To ease my troubled mind
I left my body lying somewhere
In the sands of time
Well, I watched the world float
To the dark side of the moon
I feel there's nothin' I can do
Yeah

I watched the world float
To the dark side of the moon
After all, I knew it had to be somethin'
To do with you
I really don't mind what happens now and then
As long as you'll be my friend at the end

If I go crazy
Then will you still call me Superman
If I'm alive and well
Will you be there holdin' my hand
I'll keep you by my side with
My superhuman might
Kryptonite

You called me strong
You called me weak
But still your secrets I will keep
You took for granted all the times
I never let you down
You stumbled in and bumped your head
If not for me, then you'd be dead
I picked you up and put you
Back on solid ground

If I go crazy
Then will you still call me Superman
If I'm alive and well
Will you be there holdin' my hand
I'll keep you by my side with
My superhuman might
Kryptonite

Na na na na whoa whoa

If I go crazy
Then will you still call me Superman
If I'm alive and well
Will you be there
Holdin' my hand
I'll keep you by my side with
My superhuman might
Kryptonite
Yeah

If I go crazy
Then will you still call me Superman
If I'm alive and well
Will you be there holdin' my hand
I'll keep you by my side with
My superhuman might
Kryptonite

Whoa whoa whoa
Whoa whoa whoa

Whoa whoa whoa
