## Creed, Lullaby

Hush my love now don't you cry Everything will be all right Close your eyes and drift in dream Rest in peaceful sleep

If there's one thing I hope I showed you
If there's one thing I hope I showed you
Hope I showed you

Just give love to all Just give love to all Just give love to all

All my love in my arms tight Every day you give me life As I drift off to your world Will Rest in peaceful sleep

I know there's one thing that you showed me I know there's one thing that you showed me That you showed me

Just give love to all Just give love to all Just give love to all Lets give love to all Lets give love to all Just give love to all Lets give love to all Just give love to all Lets give love to all Lets give love to all Lets give love to all
