

Creedence Clearwater Revival, Effigy

Last night
I saw a fire burning on
The palace lawn.
O'er the land,
The humble subjects watched in mixed
Emotion.

CHORUS:

Who is burnin'?
Who is burnin'?
Effigy.
Who is burnin'?
Who is burnin'?
Effigy.

Last night
I saw the fire spreadin' to
The palace door.
Silent majority
Weren't keepin' quiet
Anymore.

CHORUS

Last night
I saw the fire spreadin' to
The countryside.
In the mornin',
Few were left to watch
The ashes die.

CHORUS

Why?
Why?
Why?
Effigy.
