

# Creeper Lagoon, Theres A New Girl

There's a new girl  
Out on our porch last night and  
She was singing  
To her dad and drinking  
I heard her say  
I don't care what anyone says  
You're a flower wilted by the hour  
And losing power  
Oh

Chorus:

I'm gonna leave today  
I'm gonna break away  
I'm moving on  
I'm moving on  
I'm gonna leave today  
I'm gonna break away

And upstairs  
Her mother comes down to see  
What was going  
Oh and it was snowing

I don't care  
If you get your body breathing  
Just, keep it to yourselves (i'm pretty sure it's plural here)  
Don't bother anyone else  
When you go

There's a new girl out on her porch last night  
And she was singing to her dad and drinking  
And leaving
