

# Crematory, Reincarnation

He is coming back...  
Another body another face but same soul  
His former life is filling up with hate and pain  
Many people dying through his hands  
Uponing to tortured

Uponing to tortured  
And agonized with blood  
The calling was to the dead ones always ahead

After the death given a new life  
The punishment you taken for mistakes  
His old corpse is rotting away  
And smelling decomposed

Reincarnation - A new life  
Reincarnation - The same way

His old corpse is rotting and decomposed  
The punishment for mistakes is painful  
Imprisoned in a deformity body  
The deliverance out of this life  
Is-the-death-imprisoned-deliverance-the punishment

His old corpse is rotting and decomposed  
The punishment for mistakes is painful  
Imprisoned in a deformity body  
The deliverance out of this life

After the death given new life  
The punishment you taken for mistakes

And smelling decomposed

Reincarnation - A new life  
Reincarnation - The same way

Closing your eyes for off you prophesy  
And ignored your mistakes  
Agonized and murdered - Let your propelling the push
