

Crest Of Darkness, Recall The Earth

Recall
Recall the earth
Let yourself be free
Recall
Recall the earth
Let your dreams become reality

Entering places where no limits exists
Human mind control - you can't resist
you've got power - it's all there
Your own will can bring you everywhere

(It's) Your life!
Your choice!
Your life!
Your choice!

Recall
Recall the earth
Let yourself be free
Recall
Recall the earth
Let your dreams become reality

Natural instincts hidden deep inside
Self-preservation - live or let die!
Great inventions - killer machines!
The cause of death is living in our dreams

You're strong!
You're (your own) god!
You're strong!
You're god!
