

# Crest Of Darkness, Reference

Rebuild  
my soul again  
Rebuild  
the sense of pain  
Rebuild  
my fantasy  
Rebuild  
the beats in me

Wake me from the longest sleep  
Scream before I fall too deep  
Demons of the dealers hand  
Light ,y way to neverland

Wisdom is a given gift  
Life is like a night-time shift  
Learn to love and learn to hate  
This is just a different state

Gods  
Words  
Screens  
amd scenes  
I've seen it all before

Rebuild  
my soul again  
Rebuild  
the sense of pain  
Rebuild  
my fantasy  
Rebuild  
the beats in me

Fill my soul, then let me die  
No-one knows that I am I  
Shattered dreams incorporate  
Death is yet another state

Gods  
Waords  
Screens  
and scenes  
I've seen it all before

I am all and I am one  
Universe and unicorn  
Born to breed and born to sin  
Gods beyond and gods above  
Feed my hate and grow my love  
Timeless in a flawless flood  
Learning I am also God
