

Crest Of Darkness, The Acknowledgment

Fade away
- Old memories
- Secret lies

My new life is about to start
I'm entering
a new dimension
I'm the king
in my own kingdom

From the deepest dark
the internal flames are burning brighter!
We call upon you
- The four Crown Princes of Hell!!!

Hand in hand
- Imagination
- Immortality

Enjoy the moments
when you've broken "the law";
Remember the nights
when the demons from Hell
gave you the acknowledgement!

- the Beast is a part of yourself!

From the deepest dark...
