

Crime Mob, Circles

.:LIL J.:.

First you go and tell me this
then you go and doing that
its mixed signals in my head
you never give me straight facts
Coming at me with these stories
Taking up a playas time
you seem confused up in your head
you cant make up your mind
I be the first one to listen
but I think its disrespect
lying through your teeth
Talking out the side of ya neck
got me goin round and round
make a playa wanna hurt ya
thinkin that you was straight up
got me goin in a circle

.:PRINCESS:.

(ayy) my head is constantly spinnin
twisted cuz now this boys trippin on me
first off we all lovey dovey
and now he call me his homey
wishy washy kinda feelings
tryna play with my emotions
he'll mumble the words I love you
then say that he was jokin
stuck up up in tha mind
tough love is wat he calls it
I dont read between the lines
so you need to get to talkin
spell it out and make it clear

dont tell me what i wanna hear
yes or no just go on and say it
cuz inside im goin crazy

.:Diamond:.

yes he relaxes me
satisfactory treat me like a queen
it was love at first sight on that night once I stepped on the scene
now my body once I got him fulfilling all my needs
he had me feining obscening
I mean it
just smelling his breeze
I really want him yes I want him
but the law disagrees
our loves illegal
certain people man I wish they could see me
he got me goin in circles
as dizzy as I wanna be
down through my toes deep in my soul
man I want him badly
