

# Criminal, Downwards

Maddened eyes  
Of souls that bleed  
A frozen view  
Of the decaying breed

Life has become  
A sad joke  
A game of fools  
A drowning stone

(Chorus)  
Downwards  
On it goes  
A mindless race  
To nowhere  
On it goes

The ground is burning  
Heaven is red  
The blood is flowing  
The seas are dead

Bizarre landscape  
By a maniac God  
Chaos reigning  
As time runs out

(chorus)

Self proclaimed deity  
Drowning in insanity  
Descending spiral agony  
Endless hole of misery

Dreams of immortality  
Shattered by reality  
Silence gonna fill the air  
Louder than life itself

Sinking into  
A certain doom  
The cradle of life becomes  
A bloody tomb

(chorus)
