

# Criminal, Self Destruction

State of dependence, Chemical Womb  
Artificial euphoria, is life in a tomb

(chorus)  
Self destruction  
Insane  
Life collapsing  
In Pain

Deterioration, flesh weakening  
A vicious circle, sucking you in

(chorus)

I am your body hungry for more  
I am your mind's dead interior  
I am your blessing and your condemnation  
I am your god, like a shot from a gun

(chorus)
