

# Crimson Glory, Cydonia

[Music: J. Drenning, J. Lords]

[Lyrics: B. Martinez, J. Drenning]

God whispered out to me from outer space  
His voice echoed then disappeared without a trace...

Beyond the light of the sun...  
Beyond the edge of forever...  
I hear the angels sing...

[Chorus:]

Cydonia - city I see in dreams  
City I see in dreams  
Cydonia - shrouded in mystery  
You stare out in space all alone

God's eyes stare down at me from outer space  
He looked deep in side of me...a lonely place...

Beyond the light of the sun...  
Beyond the edge of forever...  
I hear the angels sing...

[Chorus:]

Cydonia - City I see in dreams  
City I see in dreams  
Cydonia - Shrouded in mystery  
Cydonia - City I see in dreams  
Starlight's majesty  
Cydonia - Shrouded in mystery

You stare out in space all alone

[lead I]

[chorus]

[lead II]

[end]

“Despite our shortness of breath and beating of our hearts, the Martian sphinx (Cydonia) loo
