

Crimson Glory, Make You Love Me

I can make you love me, I can make you want me
I will take you, make you need me
I'll tell ya that I love you
Tell you that I really need you
I got what it takes to break your heart
I deal in pleasure, gonna take you to the Promise Land
Come with me sweet honey cuz I melt in your mouth
And not in your hand
I can make you love
I can make you want me
Make you love me, make you need my love
Make you love me, make you need my love
I can make you love, I can make you feel it
I will take you, make you need it
I'll tell ya that I love you
Tell ya that I really need you
I got what it takes to steal your heart
I can make you love me
I can make you want me
Make you love me, make you need my love
Make you love me, make you need my love
