

Crimson Rockets, Meltdown

Screaming our hopes, our anger
This is the final act
Hidden in your paradise you fear us
For we'll take it down

Our dreams are causing a meltdown
We'll never let'em go /4x

This is our revolution you fed with
Your arrogance
Listen... can you hear us?
Machineguns are all you've got

Our dreams are causing a meltdown
We'll never let'em go /4x
