

# Crimson Thorn, Sarcastic Deviation

Creeping into the chapter of you  
The sin you welcome  
Multiply strife  
Increased death life extinction

Existence that endures  
One must see it's scheme  
All wrapped up in it's allure  
Demise of yourself is foreseen

Desire that is unquenchable  
Fulfillment sought from the natural  
Settle for a cheap imitation  
The heart cold and hardened

The continuation of a struggle  
Freedom seems but a dream  
Holding fast to the giver of life  
Persistence because of His grace

Sarcastic deviation  
Wanting to call you it's own  
Despising it's deception  
Truth found in Him, the Cornerstone
