

# Criteria, Good Luck

i can&#039;t deny i&#039;m ashamed  
so i try to hide it  
the fates have provided me with grace  
and it&#039;s been warmly invited  
i could see my good fortune today  
with good reason why  
i&#039;m starting a life without luck today

i&#039;m out of luck are you the same way?  
i&#039;m out of luck are you the same way?  
i&#039;m out of luck are you the same way?  
i&#039;m out of luck are you the same way?

rationalize the choice you make today  
because it might be the last you&#039;ll ever choose  
with a charmed life i began to see  
i&#039;m not the one who designed it  
so as a matter of personal choice  
i&#039;m staking my claim  
i&#039;m starting a life without luck today

i&#039;m out of luck are you the same way?  
i&#039;m out of luck are you the same way?  
i&#039;m out of luck are you the same way?  
i&#039;m out of luck are you the same way?

generate a thousand reasons  
cuz only you convince yourself why  
it&#039;s right  
i could see my good fortune today  
with good reason why  
i&#039;m starting a life without luck today
