

# Criteria, Run Together

We must all consider what it takes to bring all sides to see deep feelings  
Hope and pray, peace one day  
There is a way to make it work so it dont have to hurt

All the condescending eyes begin to run together  
Youre caught in a voice, youre caught in a lie  
From which you cant recover

Change of heart, change of mind  
Sore again just to find it, find its true

Dont cut yourself with razorblades  
Just to say you feel their pain,  
Cause you dont seal it.  
If we could meet halfway, then wed say:  
There is a way to make it work so it dont have to hurt

All the condescending eyes begin to run together  
Youre caught in a voice, youre caught in a lie  
From which you cant recover

Change of heart, change of mind  
Sore again just to find  
A heartwarming story that the kids can rally around  
Oh, but in the end there is no common sense
